Hello members,

The weather is really becoming nice and treasure hunting is enjoyable again. I hope everyone is able to get out and detect and make some good finds. Don't

forget to bring your finds to the meeting on May 11, 2015 to enter into the finds of the month contest!

We discussed the upcoming club picnic-hunt at the April meeting which was held Sunday April 26, 2015! We also discussed the Open hunt to be held August, 2015. We need to make some adjustments to some things yet but over all it is coming along fine.

FINDS OF THE MONTH

MISC.: CRUCIFIX-----Mike Mazur

JEWELRY: Gold & Diamond ring-----Mike Gipson

COIN: Gold Coin-----Myron Tybersky

Congratulations to the winners.

Francis Kelly received a certificate from Western and Eastern Treasure Magazines for his find of a 1794 Large Cent as one of the years best finds. Way to go Francis!

Our Spring club picnic and hunt was held on April 26, 2015 and a good time was had by all who attended. Good food and lots of targets for us to find! Thanks to the Goss's again for letting us use their property for this event and a special thanks to Sheryl Goss as she puts a lot of effort into preparing the food and set up. If you missed it you missed a good time! We have a tentative date for the fall picnic & hunt Sept. 20, 2015. Keep this date in mind.

We are still working on getting a group hunt at lake Jean when it is drained. Bob Brown is keeping an eye on this and will let us know when it is drained. Also I am working on a natural hunt at Graeme Park in Montgomery Co. Pa. So far it would be \$150.00 for two days hunting. We are not sure when the dates would be yet. I will have more information at our meeting on May 11, 2015. If you want more Information on the history of this place Google Graeme Park. This is a very historic place. This is a protected site and no metal detecting is allowed any other time. Offenders will be prosecuted.

There are many open hunts coming up so check the Magazines for those you would like to attend.

Don't forget Mays meeting! May 11, 2015 7pm at the Forty Fort municipal building in the basement.
