BDTHC Monthly Newsletter – May 2015

Hello BDTHC members,

The weather sure has been weird! But that is Spring time! Not much of a meeting on the 11th of May but always something going on.

Preparations for the August open hunt are going well. We have 5 or more hunters registered already. Also many will be registering from the

Ocean City hunt shortly. We still need help under the tent and for selling raffles. If you are not hunting we also need help to bury coins.

Joe Jorgensons hunt in Ocean City was a great success with at least 140 hunters both days. Lots of finds and prizes.

The next good hunt is the Roanoke clubs hunt in Virginia on June 6th.

As for the Group outing at Lake Jean -- Not much interest and several club members have gone up to hunt the lake. If you wish to go and hunt the lake feel free to do so as it is an open site for anyone to hunt. " The mud is deep"

We have a date for the club picnic and hunt. It will be on September 20, 2015 at the Goss's house. A flier will be on the web site soon.
