MERRY CHRISTMAS BDTHC MEMBERS,

Think Spring! The weather has been pretty good. With temperatures up we can still detect with out using a pick. Ha Ha.

The Christmas party was a great success! We had pizza two types with kielbasa, soda, wings, brownies, etc. Thanks to all

who helped make this event a success. The gift exchange went well with everyone who participated enjoying their gift.

Our meeting was short with most of it pertaining to drawings and the party.

We added a new member "Michael Pisciotta" Welcome.

We discussed our members only Spring hunt-picnic which will be held on April 24th, 2016. A flyer will be on the web site soon.

Again we discussed the natural relic hunt inn Bucks County, PA. This event will be held on April 16th and 17th, 2016 with a fee of \$200.00 for both days. More info will be coming after the holidays.

BDTHC's open hunt in August is coming along well. I sent the information to several magazines with the hope they will publish it ASAP.

Membership drawing was won by Pat Bidding.
