

"The Penn Pointer"

BDTHC Monthly Newsletter – January 2016

Hi BDTHC members,

Welcome to winter! Down here we had 30 or so inches of the white stuff. What a mess. Up in your area they said you got about 2". consider yourselves lucky. I don't think we will be doing much detecting any time soon. Hopefully it will get warmer and melt some.

We've been working on the open hunt flyer and the club picnic flyer and will be on the site with this newsletter.

We discussed the Natural hunt being held here in Bucks County on April 16 & 17, 2016 at a colonial site. So far the Information I Have is: Cost will be \$150.00 for the Two Days with a barbecue on Sunday after the hunt. The fields are about 150 acres and will be brush hogged down to a relatively smooth surface for the hunt. I am hoping to have all the information till our February meeting.

We started the finds of the month at our January meeting with 2 monthly winners.

Misc.----- Michael Pisciotta

Coins-----By Derr

Congratulations to the winners. Michael Pisciotta also won the raffle.

Looks like the weather might put a stop to the Finds of the month till weather gets better. Don't forget if you found something before the storm and freeze bring it in.

Upcoming events in your area are the Wyoming Valley Coin Show on February 13 & 14, 2016.

CLUB DUES ARE DUE AND PAYABLE EITHER AT THE MEETING OR MAILED IN
TO THE P.O. BOX.

PO BOX 1523
KINGSTON, PA. 18704

Next meeting will be February 8,2016 at the Forty Fort Municipal
Building in the basement.

HAPPY HUNTING
