Hi BDTHC Members,

February is here already! Not much happening as weather hasn't been real good. Although today temperatures in my area are close to 60 degrees.

Unfortunately the ground under the surface is still hard. Getting targets out can be difficult.

Don't forget dues are due and payable to Ron Denman at the meetings or sent to our post office Box: BDTHC

We discussed the Spring Picnic Hunt for club members only! The flyer is on the web site. The hunt fee will be \$50.00 and the club will be adding to that with about \$25.00 per paid entrant. Also don't forget to bring a covered dish to share. All happening at the Goss's house on April 24, 2016.

This also includes the club birthday party with the club supplying the Cake.

Our annual open hunt will be held on August 13, 2016 at Lazy Brook Park, the flyer is also on the web site. We were able to get a pavilion this year just in case mother nature decides to get even with us for all the good weather we have been enjoying the last several years. This is always a great event for our club with entrants coming from all over the east coast.

George Walko is checking into whether we need permits to hunt Beltsville Dam with the club considering a once a year outing there to detect.

Further discussion will be done at the Picnic to see how many are interested and to get a date. We are also looking for other places to have a group outing.

If anyone has an idea let us know and we will look into it and try to set something up for an outing.

Finds of the month were sparse but had a few:  
Misc. Bob Brown Alum. token  
Jewelry. Mike Pisciotta Sterling Charm  
Coins. None

Next months meeting will be March 14, 2016 at our usual meeting place. Hope to see every one there.

Good Hunting
