Hi members,
Well here we are in August and the weather is really HOT and HUMID! We have had the hottest summer this year that I have seen in a long time. Not the best for detecting.

Again our August open hunt went well. With everyone getting lots of finds. The only problem is the upper part of the hunt field. We need to take some time to go over it and clean out as much of the junk as possible. Also we need more help from the club members with the selling of raffle tickets and other raffles under the tent area. Whether you are hunting or not you can still help with this. Only burying the coins is done by none hunting members.

We will be having our September meeting on September 12, 2016 at the Forty Fort municipal building in the basement at 7pm. Hope to see as many members there as possible.

Our Fall club members only picnic and hunt will be held at the Goss's on September 18, 2016. The application is on our web site. Please fill it out and bring it to the meeting or give it to one of the officers with the fee or mail it to the PO box.

Please remember to bring a covered dish to share. The club will provide hamburgers and hot dogs. Remember the better we do at open hunt the better the club picnic hunt will be.

Happy Detecting, BDTHC President By Derr
