Hi BDTHC Members,

Here we are in 2017 "WOW" does the time fly. The holidays are over and it now down to business.

We had our first meeting for 2017 on Jan. 9, 2017 at the Forty Fort municipal building in the basement at 6pm.

The members who were present discussed many things for the upcoming year. We have the flyers for the open hunt and club members only spring picnic and hunt ready and on the web site. The dates for these events are May 21, 2017 for the club members only picnic hunt and August 12, 2017 for our open hunt.

The color for the club shirt was decided to be gray. As soon as we get a sample we will make orders.

We would like to welcome back returning member John Hilstolsky and new member Deborah Gale.

I will be contacting Garrett for a hunt package for our open hunt.

Bob Brown would like to know if anyone would be interested in detecting a site if they can't keep the items they find? We made the suggestion that he try to get the property owner to let us keep the coins but turn all the relics

over to them. This way we would at least get something out if it. We have done this with other clubs in the past and is has worked out well for both parties.

George Walko is working on getting a person to give a presentation on telephone collectibles and relics. More to come on this.

For the Drawings: Membership was won by Mike Mazur  
Club Drawing: John Hilstolsky  
Find of the Month: By Derr, Half Cent, 1799 or 1800

Next meeting will be on February 13, 2017 at the Forty Foot Municipal building in the basement at 6pm. I hope to see more members at this meeting.

That's all for now. Good Detecting
