BDTHC Monthly Newsletter – May-June 2017

Hi BDTHC members,
There wasn't a newsletter for May as we weren't around to do one. This is May-June news letter.

The club picnic – hunt was a great success with lots of food and good finds in the hunt. We also celebrated the clubs birthday with a cake.

Don't forget that our open hunt in August early entry is on July 17, 2017. Get your entry in if you are hunting. We need help to bury the fields and under the tent to sell tickets. You can hunt in the hunt and still help under the tent to sell tickets. We will be sending an Email out to remind hunters of the upcoming early entry date.

Our August meeting will be after the open hunt under the tents.

Jim Ingram gave a great presentation on Civil War and earlier buttons at the June meeting that everyone enjoyed. Thanks again to Jim. I have some pass out sheets on button types if anyone is interested and wants one.

Up coming close hunts: Sandy Point, two hunts on Sept. 16th and 17th 2017 these are both sand hunts. The MARS and Maryland Free State clubs put these on. Both are good hunts.

We would like to welcome Greg Klug (new member) to our club.

Finds of the month: Coin: Mike Mazur----Large cent

Jewelry: Mike Pisciotta----picture necklace

Misc: Crissy----Early mech. pencil

***NEXT MEETING WILL BE AT THE FORTY FORT MUNICIPAL BUILDING ON
JULY 10, 2017***

Good Detecting
