BDTHC Monthly Newsletter – September 2017

Hi BDTHC members,

Here it is the first day of fall. Still feels like summer! Hot and Humid! The clubs meeting was held on September 11 at our regular meeting place. We discussed several things. Most of which were about the open hunt. Constructive criticism was the topic. We need to change some things for next years hunt to make it better. Nothing really major just small

things to improve our great hunt.

Thanks again to all the club members who helped and George Walko and Ron Denman for their great work in setting up all the targets, prizes.

Our fall club members only Picnic and hunt will be held on October 29, 2017 at the Goss's. You may download the flier from our web site and fill it out and send it to our P0 Box or pay at the next meeting. We also discussed maybe doing an event for the club over the winter for something extra during the winter months.

Not much else for now. I do hope the weather cools off some so we can get out to detect without melting.
