

"The Penn Pointer"

BDTHC Monthly Newsletter – February 2018

Hi BDTHC members,

We met on February 12, 2018 at the Forty Fort Municipal building at 6pm. Weather was good.

We opened the meeting with the pledge as usual then proceeded with reports, etc.

We welcomed two new members: Brian Condel and Daniel Adamson.

The club members only picnic and hunt will be on the site soon. This is for the April 29, 2018 club hunt and picnic. It was brought up to set up a sign up sheet for the food for the picnic (the club supplies the burgers and dogs) this would be for the covered dish. We will discuss this further at the March meeting.

We are still waiting for the shirts. Hopefully we will get them soon.

Well the weather is not cooperating for our hobby but hopefully soon it will get better. Detecting is possible if you can deal with conditions. As for me I'll just wait a little till it warms up. If you have the time the beaches are open and in good condition. These can be good hunting if you hit the right places.

Next meeting will be March 12, 2018 at the Forty Fort municipal building at 6pm in the basement. Don't forget to bring your finds if you have any to enter the finds of the month. Plans for the August hunt are going well. We have it entered into the mags. and on the web site. also working on the emails out to possible entrants to check our web site for the flyer.

There are several upcoming hunts so check the mags for information.

Well I think that's about all for now I hope to see everyone at the next meeting on March 12, 2018.

Good Detecting
PRESIDENT BDTHC
