BDTHC Monthly Newsletter – July 2018

Hi BDTHC members,

Conditions are rough. Very hot and humid, please be careful and drink lots of fluids heat stroke can get you very quickly. Also when digging as the rain we had wasn't enough to make the ground really moist. This is the time to water hunt if you have a good spot.

Preparations for the open hunt on August 11, 2018 are going well. Hopefully we will get the rest of the donations soon.

We will need help burying the coins and under the pavilion for raffles etc.

We will have a separate field for the optional hunt not the kids field.

The club meeting will be held after the hunt under the pavilion. Remember there won't be a meeting on the 13th of August.

The club was asked to help find grave markers at an old cemetery for its restoration. Thanks to all who are helping with this project. Any member may help just see Bob Brown or Mike Pisciotta to see what you need to do. There are lots of pictures on Facebook. Here are a few.

Great job to everyone of the club members who are helping with this project.

We discussed having a two day hunt for our 2019 open Hunt. It looks like we may have a new site for the hunt with lots of room and a pavilion. Best is it will be closer to Wilkes Barre. We will continue to work on this as I think it would be better for all. That is the hunters and the club.

Our club members only hunt picnic will be held on October 14, 2018 at the Goss's. We will be giving a 5 minute head start to our older and slower hunters to try to even things out a bit.

Any one who has shirts ordered should pick them up at the open hunt. See Ron Denman.
