BDTHC Monthly Newsletter – February 2019

Hi BDTHC members,

Sorry there wasn't a meeting this month but the weather man got us this time by calling for very bad weather early in the evening so had to make the decision to cancel early then he changed the forecast and the weather didn't move in till close to midnight. In any case we will try weather permitting for next month on March 11, 2019 at our usual meeting place

at 6:30 pm. Hope the weatherman doesn't mess me up this time.

We will still have the finds of the month for both months so bring in your finds for Feb. and March.

Hope to see everyone at this meeting.

Happy Detecting
