

# "The Penn Pointer"

BDTHC Monthly Newsletter – March 2019

Hi BDTHC members,

Today(03/15/2019) would be a good day to get out and detect if you can. The weather is beautiful with mid 60's temps.

We had a very good meeting this month with many members

present. The most in a long time!

Discussions for the upcoming Spring picnic and hunt for club members only was that everyone was happy with what is planned with it being held on April 28,2019 at the Goss's place. This will also be the birthday party for the club. The club will supply the meats and a cake for our birthday. You may pay for the hunt at the meetings or send to our PO Box. Don't forget to bring a covered dish to share!

Discussions on our August open hunt are on going. One thing is there is no parking on the blacktop at the fire company. We hope to have at least one parking attendant to direct the hunters to where they can park for the hunt. The flier for this hunt is on the web site also on the events page.

We would like to welcome a new member to the club, Wayne Hughes. The finds of the month were sparse with only category winning. Misc. Bob Brown With the weather getting better I hope to see more finds of the month on display.

Next meeting will be on April 8, 2019 at our usual meeting place. If the basement isn't done we will try for the upstairs room again. I hope to see a good turn out like we had this month it makes for a better meeting the more input the better.

We are looking to have a club outing possibly at the fire house to check the fields for trash and maybe get some finds, you never know. No place is ever hunted out.

Happy Detecting
