Hi Members,  
Here we are in July already and preparations for our Open Hunt are going well! We are still waiting for some donation packages to arrive.

A BIG THANKS TO GEORGE WALKO for being Hunt Master again. His experience and knowledge makes our hunt a big success every year!

Don't forget the August club meeting will be held at the open hunt on August 8th after the hunts are complete.

Our fall club members only hunt picnic (to be held on September 20th at the Goss's home) is now on the web site and may be Printed out, filled out and sent to the clubs PO Box or brought to the meeting at the open hunt or the September meeting on September 14th.

We welcome two new Members: Lynn Rotzell and Mark Siple

Any members handy with wood working---We need new signs for our open hunt to direct new hunters to our hunt site.

We need helpers for burying coins, "If you are not hunting". Also we need helpers to sell raffles before and between hunts, and to man the tables under the tents.

## FINDS OF THE MONTH:

Misc. Mike Lettieri -----Railroad lock key  
Coin. Mike Mazur-----Old Copper  
Jewelry. By Derr-----Stauer wrist watch

The Relic hunt in Bucks County is coming along well and as soon as a flyer is available we will distribute it. The hunt will take place sometime in October or November this year after the farmer harvests his crops. We will keep you posted.

Happy Hunting
