"The Penn Pointer"

Hello BDTHC members,

Again our open hunt was a big success! A great big THANK YOU to all who helped! Your efforts Make this event happen. Check out the pictures in the photo section.

We will try to retain the food vendor for next years event and also the park. Maybe we should try to reserve a pavilion as we have been lucky with the weather so far. But as you know mother nature has a habit of getting even with a vengeance.

It was brought up about our two clubs (BDTHC and Susquehanna Valley club) having a two day affair with one club having Saturday and the other club having their event on Sunday to facilitate a more efficient use of time. This would make it easier for those hunting to attend two hunts on the same weekend and better travel and lodging. We will look into this.

I am looking into up grading our coin burying tools. The PVC ones will work but we need to add a metal tip to help in the very dry and hard ground we encounter. Also a tool for burying the flags. I had made up some but the very hard ground made them useless. The suggestion was that a long handle screw driver would work the best.

Thanks to Marvin Harris for volunteering to make new signs for our hunt for next year. These will help direct any new hunters who are not familiar with the area to our hunt site.

Don't forget our fall club picnic and hunt held on Sept. 20, 2015 at the Goss's home. Fliers are on the web site. These may be sent to the PO box address or brought to the September meeting. If you have not mailed your application or are not planning to pay at the September 14th meeting you must contact Ron Denman at 570-288-7787 by Sept. 14th to let him know you will be attending the picnic and hunting. Then pay cash on the day of the picnic hunt. Also remember to bring a covered dish to share.

The Goss's are looking into getting information for new shirts for the club members.

I hope to see everyone at the club fall picnic and hunt.

GOOD HUNTING
