BDTHC Monthly Newsletter – January 2019

Hi BDTHC members,

"WOW" Winter is really here! Was 5 degrees with wind chill of 15 to 20 degrees below zero the other day but now has mellowed out a little. Still not good detecting weather with the ground as hard as a rock.

The meeting was short as many things have been done and just needs finishing up loose ends for our open hunt flier for the hunt in August. Also for the club members only hunt and picnic in spring.

April 28, 2019 for the members only club picnic and hunt for spring.

August 10 & 11 is the date for the clubs open hunt.

We would like to thank Pat Bidding for supplying pizza and Chris Macking for bringing the soda for refreshments at the meeting.

Finds of the month: Misc.-----part of a headdress from Ghost Town in the Glen. Pat Bidding

Coin-----Wheat Cent Bob Brown

Don't forget club dues are due and payable either at the meeting or sent to our post office box.

Next meeting is **February 11, 2019** at our usual meeting place in the basement. I hope to see more members at this meeting. Don't forget to bring in any finds you may have found if you can find a thawed out plot of ground to hunt.

That's all for now. I do hope we get a thaw so we can get out to detect.

Happy Detecting
