BDTHC Monthly Newsletter – August 2019

Hi BDTHC members,

Well here it is The end of August. We had a short meeting after the open hunt so we didn't discuss very much except for the hunt results and how it went over with the hunters. Every one I talked to was very pleased with our new hunt fields and the two day hunt. We will discuss this further at our meeting on Sept. 9, 2019.

Please bring in your finds for the last two months for finds of the month as we will try to have a two month event again.

Hope to see as many members at the meeting as possible. Meeting will be held at our usual place at 6:30 pm on Sept. 9, 2019. support our club we need all the helpers we can get to make it successful.

Good Detecting,

PRESIDENT BDTHC
