BDTHC Monthly Newsletter – October 2019

Hi BDTHC members,

We held our meeting on October 14, 2019 at our usual meeting place. We had to enter by the front door as they were working on the steps and walkway. Discussion was held on many things we had upcoming. One was the fall club members only Picnic and hunt which we held on Oct. 27. I waited till after the picnic to do a news letter so I could add the

information from this event.

Well the weather didn't cooperate and in the morning it poured on us and as always as soon as the hunt was done it quit raining and the sun came out for the remainder of the day. So the second hunt after lunch, was a good hunt although very muddy! In any case we all had a good time with lots of good food and lots of silver in the hunts in the mud.

We would like to thank the Goss's for their generous contributions to this event. For without this the event would lose a lot of splendor. We are working on next years open hunt flyer and should have a draft for the November meeting.

The Christmas party will be as usual. Held at our meeting place in the basement which has worked well in the past.

Don't forget that club dues are due and payable either at the meetings or mailed to our P.O. Box.

Next meeting will be on November 11, 2019 at our usual meeting place in the basement of the Forty Fort Municipal building at 6:30 pm.
