BDTHC Monthly Newsletter – March 2020

Hi BDTHC members,

We met on March 9, 2020 with a good attendance.

We discussed our upcoming events and were pretty sure that we were ready for them. Then came the Corona Virus. The next meeting would have been on April 13th but with the Corona Virus Pandemic we have decided to cancel this meeting.

Also we would have had our club Spring picnic and hunt on May 10, 2020 along with our May meeting on the same day. Unfortunately we will be canceling these events also. I hope that by June we will be able to get back to our regular schedule.

If you are able to get out to hunt save your finds for find of the month. We will have a catch up of the months we missed, hopefully at the June meeting. For those of you that paid for the spring hunt we can refund the fee or keep it and use it for your entry in the fall Club members only hunt at the picnic. Hopefully this problem will not affect our August open hunt.

I do know that the Lancaster club has canceled their open hunt and club hunt. I also contacted Joe Jorgensen and it looks like he will be canceling his Ocean City Hunt as well.

I'm sure that other clubs running hunts early this year will be following suit just to be on the safe side.
