**BDTHC Monthly Newsletter – October 2020**

Hi BDTHC members,

We met on Oct. 12, 2020 at our usual meeting place with 6 members in attendance.

Our club members only picnic and hunt was a great success. Thanks again to the Goss's for the use of their property for this event. The food was great and the weather cooperated making for a

perfect day.

Next up is the Christmas Party! We need to know how many will be attending this event. Please call or let us know by the November meeting if you are attending. Call Ron Denman at 570-357-0530 or By Derr at 215-536-0796

This to let us know of the attendance so that we are able to decide how we handle this event. Because we didn't have an open hunt this year we will decide how we will be doing the party this year at the November meeting on November 9, 2020. Either covered dish, Pizza which we all chip in or no party at all. Please let us know ASAP!

I attended a Benefit hunt to save the American Legion Post 242 in Pompton Plains, NJ. This was a natural hunt. The weather was great and there were some nice finds, not many and not by me. But we had a great weekend away for a change.

**We held finds of the month for Sept. and October.**
