**BDTHC Monthly Newsletter – November 2020**

Hi BDTHC members,

WOW! Here it is November already and getting close to Thanksgiving. This year has gone by so fast. I hope it goes away and never comes back! I don't know which has been worse the election or the virus. Either way I hope 2021 will be a better year all around.

**HAPPY THANKGIVING TO ALL OUR GREAT MEMBERS!**

We met on November 9th at our usual place with 9 members present. Discussions were had on many items. One of which is the insurance for the club. This is our biggest expense each year and with out having an open hunt this year it puts the treasury under a lot of stress. I think we will be fine for this coming year but we need the open hunt to increase our funds or things will suffer.

I have contacted the Goss's again for some dates for the spring picnic and hunt for club members only. We cannot thank them enough for their generosity. There won't be a December meeting this year or a Christmas Party as the virus and lack of interest because of the return of the virus caused by opening up things. Hopefully it won't lead to a lockdown again.

Club dues are due and payable at the meetings or sent to the post office box. Or you may pay one of the officers.

**Nominations for Officers was held and they are the following:**

**President: By Derr**  
**V President: George Walko**  
**Treasurer: Ron Denman**  
**Secretary: Pat Derr**

They ran un opposed and Joe Adrian made a motion to accept them with Pat Bidding 2nd. The officers will remain the same for 2021.

We are working on the flier for the open hunt in August which hopefully will be held on August 7th and 8th, 2021. Please hold the date. As time goes on we will keep every one informed as to what is happening with this event. We also need as much help as possible to make this a profitable event for the club.

**Finds of the Month:**

**Misc. Mike Mazur**

**Jewelry: Joe Adrian**

**Coin: Pat Bidding**

The end of the year drawing for finds of the month will be held in January 2021. We will start the new year finds of the month at the January meeting.

Next meeting is January 11, 2021 at 6:30 pm in the basement of the Forty Fort Municipal Building. Masks are required.

Please stay Safe!

Happy Detecting
