BDTHC Monthly Newsletter – April & May 2021

Hi BDTHC members,

I waited till after we held the club Picnic and Hunt to do the newsletter so I could include it.

We met on April 12th and discussed a lot for the upcoming year. There were 10 club members in attendance. First was the club members only Picnic & Hunt which we had on April 25 At our usual place with 13 members in attendance.

Again I would like to thank the Goss's for the use of their place. Your generosity is really appreciated. This was a great success. The food as always was great and we all had a great time swapping stories of our detecting adventures.

We also welcomed a new member Valentine Stkovetsky. We all helped her to learn her detector during the hunt and I hope it will help her to find some treasure the next time she goes metal detecting.

The flier for our open Hunt will be on our web page shortly and Emails will be sent to the hunters I have addresses for.

We will be contacting Garrett for a hunt package and detector and I will try to contact Nokta for a package.

Sheryl has given us some dates for the fall club members only picnic and hunt to choose from: Sept. 19, Oct. 3, Oct 31. We will decide at our June meeting.
