

# "The Penn Pointer"

**BDTHC Monthly Newsletter – June 2021**

Hi BDTHC members,

Wow we had some hot and dry weather but now with the rain we have had the ground is a bit softer making it a little easier to dig.

Looks like things are coming along pretty good for our open hunt in August. we have a few entries and I hope we will get many more.

Donations and hunt packages are arriving. I have a few more that may come in yet.

There were 9 members present at our June meeting and we had a good meeting with lots of commentary about the hobby and other hunts that the members have been to.

We need as much help under the pavilion as we can get. Remember even if you are hunting you can help with the fund raisers.

Next meeting will be July 12, 2021 at the Forty Fort Municipal Building in the basement at 6:30 pm.

**Finds of the Month were for May and June.**

**May:**

**Misc.---Pat Bidding----Eat Shit token**

**Coin---Mike Mazur-----1916s Dime**

**June:**

**Misc.---Mike Mazur----Eagle**

**Jewelry---Pat Bidding---ring**

I did hear from Nokta, but I have no idea what they will be sending. We should try to get a group hunt for the club members beside the club members Hunt and picnic. I will bring this up at our next meeting.

Don't forget next meeting is July 12, 2021 at our usual meeting place at 6:30 pm. I hope to see as many there as are able to make it.

That's all for now folks. Happy Detecting.
