Hi BDTHC members,

Our August open hunt is almost here, please consider coming out and supporting our open Hunt any way you can.

We open the meeting with 12 members present.

Discussion on the August open hunt was the main topic. Looks like we have enough entrants to make it worth our effort.

October 1st is the designated day for the club members only picnic and hunt for fall. I hope all members can make it as we have a very good time with lots of good food and detecting.

Finds of the Month:

Jewelry----Joe Adrien----Earrings

coins-----Bob Brown

Misc-----Robert Cobb-----Key ring

Membership Drawing----Robert Cobb

Please try to make it to the open hunt we need all the help we can get.

Thats all for now, Happy detecting.

Happy Detecting
