BDTHC Monthly Newsletter – July 2023

Hi BDTHC members,

We opened the meeting with 12 members present on July 10, 2023. Much discussion on our upcoming open hunt was the main topic.

We're getting close to our open hunt on August 12th and 13th, 2023 and everything is coming together! We don't have as many hunters as in other years but I think we will be OK. A food vendor will be there so that will take some pressure of the club.

We have a list of club members that have volunteered to help but please if you are going to attend the hunt and weren't at the last meeting Please See Pat Derr for where you could help. WE NEED ALL THE HELP WE CAN GET!

**Finds of the month for July are: Coin — Terry B. — Nickel  
Jewelry — Bob Brown — Diamond Ring  
Misc. — Bullet — Robert Cobb**

I hope to see as many club members at the open hunt as possible as we need all the help we can get.

We will have a short meeting after the hunt on Sunday the 13th.

Septembers meeting will be held on the 11th at our usual place at 6pm.

That's all for now! See you at the Hunt.
