BDTHC Monthly Newsletter – July 2025

Hi BDTHC members,

Wow we have had some really crappy weather! If it isn't super Hot!!! it is raining.

We met on July 7th, 2025 at our usual meeting place with 12 members present! Much was accomplished!

We would like to thank Lois for supplying the refreshments very good.

Our next meeting will be held at our open Hunt on the 10th of August after the Open Hunt.

As of now we have 32 entries for the open hunt. A considerable drop from last years hunt. Hopefully more will register before the cut off date of 7-22-2025.

Everything is pretty much set for this hunt. We need all the help we can get at the hunt. Please consider helping at the hunt!
