

"The Penn Pointer"

BDTHC Monthly Newsletter – October 2025

Hi BDTHC members,

We met at our fall Picnic and hunt at the Goss's.

We would like to thank the Goss's for their hospitality again.

The Hunt was a great success and the picnic was great with good food again as usual.

All of the regular functions will start again at our regular monthly meeting on November 10, 2025 at 3pm. I may be a little late as I have a VA appointment at 2pm. But will be there.

Lots to discuss before the end of the year!

That's all for now!
Happy Detecting
