

# "The Penn Pointer"

**BDTHC Monthly Newsletter – November 2025**

Hi BDTHC members,

The weather changes so fast with cold setting in and saw my first snow on the way home from the meeting! Just flurry but still snow!

We met on November 10th at our usual place with 14 members in attendance. Had a good meeting with discussions on several

club events.

The Christmas party will be held at the Groto Pizza over near the Mall from 3pm till 6pm. Pizza and drinks will be covered by the club. Any extras would be on your own.

Not much else going on right now? If you have anything you want put into the newsletter contact us and we will have it entered.

**Finds of the month for Sept. Jewelry----Ring ---Terry**

**October Jewelry-----earring ----Nick**

That's all for now!  
Happy Detecting
